“Audition Intensive”

The interest in our Showtroop/Competition teams is growing at a rapid pace. We are implementing a new system in an effort to be able to meet everyone's needs regarding finances, costume payments, and being overwhelmed/ over committed with other activities.

You will receive a "wish list" when you sign up for the intensive- you will look over this list and information, then return it to us after the intensive workshop.

This list will ask you: (some of these, but not limited to)

1. how many routines would you like to compete this year?
 2. of that number do you want to compete productions, large groups, small groups, etc?
 3. do you want to compete a solo?
 4. do you have any requests for duets/ trios?
 5. what times and days are you available for extra rehearsals?
 6. what competitions are you willing to commit to?
 7. how many competitions would you like to attend this season?
 8. are you interested in attending nationals this summer?
 9. are you interested in performing at Universal Studios this summer?
- etc, etc, etc.

Please note that no child will be "left out" of this "audition"process. We are trying to hold this intensive as more of a "Clinic" (much like they do for any other sport, activity) so that we can see what dancers look good together, work well with certain choreography, etc.

As always- we are here for you! We want your dancer to be well taken care of, and most of all to feel like they are part of an amazing team and family of dancers!

We are looking forward to a wonderful season of team growth and exceeding our many goals that we have slated for the year!

Thank you for your interest in the MYM Showtroop/Competition teams!
