**WHAT MYM MEANS TO ME!**

"MYM means everything to me! I love that I have somewhere to express my feelings. Whenever I come to MYM I am ready to dance! I am excited to see all my dance friends and teachers. I love learning amazing dances and learning new things! Dancing is amazing! Make Your Move is way more than amazing. I love that my dance teachers are always here for me! Dancing is my life! If I didn't have MYM I would be nothing!"

~ G.R.~

"Make Your Move means the world to me. It's the best part of my day when I'm here. It's my favorite place. I always have so much fun when I'm here. The teachers are the most fun ever, I love dancing here!"

~S.H.~

**WHAT MYM MEANS TO ME!**

"I love Make Your Move. This studio has been a second home to me for 8 years. I have become a better dancer and a better person, I believe, because of this place. I also have grown very close to the girls that I dance with. I seriously don't know where or who I would be without this place.

This studio is somewhere I have always been able to come to, to escape from everything else. I also love to laugh and have had some of the best and longest laughs here. I wouldn't come here if this place truly didn't make me happy. I love this place and everyone in it and I consider myself very fortunate to have this place and the relationships that come along with it."
