

SATURDAY JUNE 3rd, 2023
OPELIKA PERFORMING ARTS CENTER

We are so excited to welcome you to Make Your Move Performing Arts'
29th annual Concert of Love: "I'm MyMtv!"

We are beyond thankful to be able to celebrate being a vital part of this community where we have been serving families, celebrating art, and nurturing dancers for over 29 YEARS!

Wow! It just doesn't seem real... In normal times this would be cause for celebration, and after the challenges of the last few years it feels nothing short of miraculous.

No small business thrives on the owner's efforts alone, which means we recognize our amazing MYM Faculty and Staff. They go above and beyond every day to care for our students and their families.

Their dedication to living out the principles of More Than Just Great Dancing™ and the core values of Make Your Move inspires me daily!

I thank YOU, our audience members, families and friends for your commitment to our students and our studio. The data has repeatedly shown that students who participate in the performing arts go on to higher achievement academically, more meaningful contributions to their communities, and happier, more fulfilled adulthoods. Simply put, the arts matter.

Lastly, I would remind our audience that although our annual concert is professional, our performers are not! They are working hard for your applause so let's show them ALL some love today. Thank you for your continued support of Make Your Move Performing Arts!

We are so honored to be the chosen dance family for your children, and we are so excited to show you how much they enjoy moving to music during this 29th Concert of Love!

Please sit back and relax, turn off those cell phones, and get ready to enjoy all of the channels as you watch the very best network; "I MyMtv!"

In love and light,
Mandy and Jaime

### **CLASS OF 2023**

Make Your Move is so much more than a dance studio to me. It is more than a building. It is more than the place I go to learn dance. It is the place I have called home for the past 10 years. It is the family I have gained and that has grown tremendously over the years. It is the teachers who double as second moms and older sisters. It is the place I discovered the most about myself. It is the place where I feel at peace and can let go of everything going on in my life. No words will express my gratitude towards Make Your Move. I am going to miss being a dancer at Make Your Move, but I am so grateful for every lesson and opportunity. I love y'all more than you know and will miss seeing y'all everyday. Love, light, and best wishes. I am always yalls biggest cheerleader!!

MYM means everything to me. I started here 16 years ago and have gained a second family, life skills, and endless knowledge of dance. The skills I have learned through MYM have helped me tremendously competing in Miss Alabama. I know how to think on my feet, work hard for what I want, how to work with anyone, and most importantly how to prioritize the important things in my life. I've truly enjoyed my time at MYM and will forever cherish the memories I have made with the people I love most. I'll love MYM forever and always. Thanks for everything.

### CLASS OF 2023

Make Your Move has been my second home for fourteen years. Not only has it taught me big life lessons that I will carry with me on my next journey in life, but dance has brought me some of my closest friends. Over my fourteen years of dance I have learned so much but the three things that have stuck with me the most are; how to be confident in myself, how to treat others, and to always have a smile on my face when someone walks in. The uncountable moments that I have had a bad day and just needed someone to talk to, I would always have it here. You can always count on someone at this studio to see that you were having a bad day and they would help you. This meant so much to me and I will miss this about the studio so much. The atmosphere at this dance studio is like no other, but the teachers here are even better. The entire faculty at make your move, treats everyone like their own child, at their worst or at their best. I will miss every face at this studio and I cannot wait to visit soon. I love each and every one of you with my whole heart and I will miss you all tons.

### **Emma Childs**Opelika High School c/o 2023 Auburn University

Make Your Move is a community that truly accepts everyone for who they are. No matter what, I always knew that I would be loved and accepted everyday that I walked through the door. MYM had given me a safe haven over the years. No matter what I was going through I knew that I could rely on the community MYM had built to help me. This place has allowed me to feel every emotion without judgement. I am thankful for all of the dancers that I have had the privilege of forming a relationship with. I am also eternally grateful for the teachers at MYM who have helped raise me into the person I am today. The past 15 years have flown by! Make Your Move will be with me forever as I have learned invaluable life lessons. Thank you to everyone, I love you all and would not be where I am today without you!
